

INVESTMENT PROPOSAL

Construction of Logistical Center in Moskovska Olimpiada Street

Project Description

The land plot is free from constructions. It is the land of City reserve.

The investment project presupposes:

- implementation of environmentally clean, energy and resource efficient technologies;
- optimization of freight traffics;
- improving of city transport infrastructure;

The plot area: 0.60 hectares.

Realization of the investment project will give the possibility:

- to employ qualified personnel;
- to increase tax receipts to the city budget;
- to create preconditions for localization of manufacture.

Explanation of suitability: real pre-conditions implementation for creation of municipal industrial and logistic center, namely:

- short distance and length of border with Romania;
- absence of specialized warehousing and logistic enterprises in the region;
- availability of one of the biggest wholesale markets of West Ukraine (MTK “Kalynivskiy Market”).

Expected term of the investment project realization is 4 years.

The way of investors attraction is investment competition.
